## EXPERIENCE

---

**Onehost Private Limited** | *Software Development Intern*

Chennai, India | **08/2022 – 10/2022**

I had the privilege of collaborating with a talented team on various projects, including a filebrowser, customer chat automation on WhatsApp, and Printop - an automation project that calculates revenue and maintains customer information to aid printing press vendors. My contributions to the filebrowser entailed implementing dynamic code that increased the rendering speed by 30%. In the automation projects, I played a pivotal role in the development of the automation module, utilizing my proficiency in Python and various tools.
